

**Coffee Beans ~ 1 lb Bags .....\$11.50**

**Coffee/Cup Gift Pack.....\$24.50**

*1 lb Coffee Bean Selection & 2 Espresso Cups*

**Colombian Supremo – South America**

This coffee has large beans, consistently good taste, medium body, full aroma, and medium acidity. A good “daily” coffee, it harmonizes well in blends. This is the coffee many now serious coffee connoisseurs became hooked on before totally abandoning stale, mass produced store-bought goods.

**Nicaragua SHG – South America**

This is a very clean and bring coffee with a nice full body to finish. This is truly a great cup of coffee. For the price it will give some Kona coffees a run for their money! Our Nicaragua SHG coffee is considered a “classic” cup; great body, clean flavor, and balance.

**Kenya AA – African**

One of the finest coffees out of eastern Africa, Kenya AA is grown high in the mountains of western Kenya, tempered by the countries mild climate. The unique geography of its native soil give Kenya AA its excellent body and heady aroma. Very little bitterness, Kenya AA is one of the most popular beans among serious coffee drinkers.

**Tanzania Peaberry – Africa**

From the slopes of Mt. Kilimanjaro, this coffee represents less than 5% of the country’s production. The peaberry coffees render a flavor that is full body, spicy with a distinguished aroma and vibrant flavor. The peaberry is the male coffee beans of the plant, a bean of unmatched uniformity.

**Ethiopian Harrar – Africa**

The original coffee bean which hooked the world, discovered growing among goats more than a thousand years ago in what’s now Ethiopia. Centuries later the moka coffee bean was smuggled out of the African continent by the Dutch to ensure a fine coffee future in the newly discovered East Indies. Ethiopian Harrar is the highest grown Ethiopian coffee and it possesses an exotic flavor with a rather light body, with pleasant earthy notes, and distinctive aromatic.

**Sumatra Mandheling – Pacific Rim**

The absolute finest of the naturally processed Sumatra beans. These works of art get their fruity flavor from the rich volcanic slopes near Mount Leuset...one of the highest points of land among the countries throughout the Indian Ocean. These beans are double handpicked to ensure the highest quality. The intense fruit flavor makes this variety of a great gourmet bean for aspiring coffee connoisseurs.

**Papua New Guinea – Pacific Rim**

Papua New Guinea is one of our favorite coffees, an excellent cup of coffee with amazing sparkle and spiciness. It is very difficult to get, coming from small coffee farms deep within the rain forests of Papua New Guinea.

**Java Estate – Pacific Rim**

Java Estate coffee beans yield a piquant aroma. Java Estate displays an exquisite acid balance, a medium body with a smooth and spicy finish. It’s name has become synonymous with coffee in the U.S.A., and is often the standard for which all other coffees are measured.

**Monsoon Malabar – Asian**

One of the world’s most excellent coffees, Monsoon Malabar comes from India. Exposed to the monsoon winds for a few weeks the coffee flavors become richer and smoother. Monsoon Malabar coffee is full bodied, very low acidity with a spicy woody flavor. Makes a great espresso!

**Rise & Shine Breakfast Blend – Special Interest**

One of our best sellers, we blend four different types of beans together, some are roasted light and some roasted to a dark French roast so you can get the best of both worlds.

**Gourmet Blend – Special Interest**

One of our most popular blend coffees. Full body with a medium roast. A great tasting all around coffee. This has been compared and sampled against some of the best coffees in the world and has come out of top. A blend of South American and Central American coffees.

**Moka Java Blend – Special Interest**

The most famous of all coffee blends. From the island of Java, a distinctive peaberry coffee (small bean) that is spicy and strong flavored with an excellent body and low acidity is blended with Ethiopian moka beans from Africa for a perfectly balanced cup of coffee.

**Five Star Espresso Blend – Organic**

This coffee is a blend of five types of organic coffees to create the perfect organic espresso blend. It is intense with a sweet smooth finish. Great for mocha and latte.

**Karma Blend – Organic**

This coffee is a blend of a light, medium and dark roasted coffee the perfect karma blend. This is the one you drink all day and all night. Has a great bright taste with a smooth finish.
